Iris & Owen's Flower Garden Adventure
My Colorful Flower Garden Coloring Book

ECOSCAPE
OUTDOOR SERVICES, LLC

Welcome to Ecoscape Kids!

At Ecoscape Outdoor Services, we care about the families who enjoy the outdoor spaces we maintain. We created Ecoscape Kids to help children learn about plants, lawn care, and caring for nature through coloring.

Each page introduces a simple outdoor lesson. Children will learn alongside friendly characters while practicing creativity, observation, and reading with a parent or caregiver.

We hope this book inspires your family to spend time outside, ask questions, and enjoy learning together.

Meet Iris and Owen

Iris and Owen love exploring colorful flowers.
They learn how to help a flower garden grow.

Look at the Petals

Petals are the colorful parts around a flower.
Iris looks closely without pulling them off.

A Tall Sunflower

A sunflower grows tall on a strong green stem.
Owen looks up at its big, round flower head.

Daisies in the Garden

Daisies have petals around a round center.
Iris finds three blooms growing side by side.

Five Hibiscus Petals

This hibiscus flower has five broad petals.
Owen admires its long center and bright bloom.

Round Marigold Blooms

Marigold blooms look like soft, ruffled balls.

Iris gently waters the soil beneath the plant.

Layers of Zinnia Petals

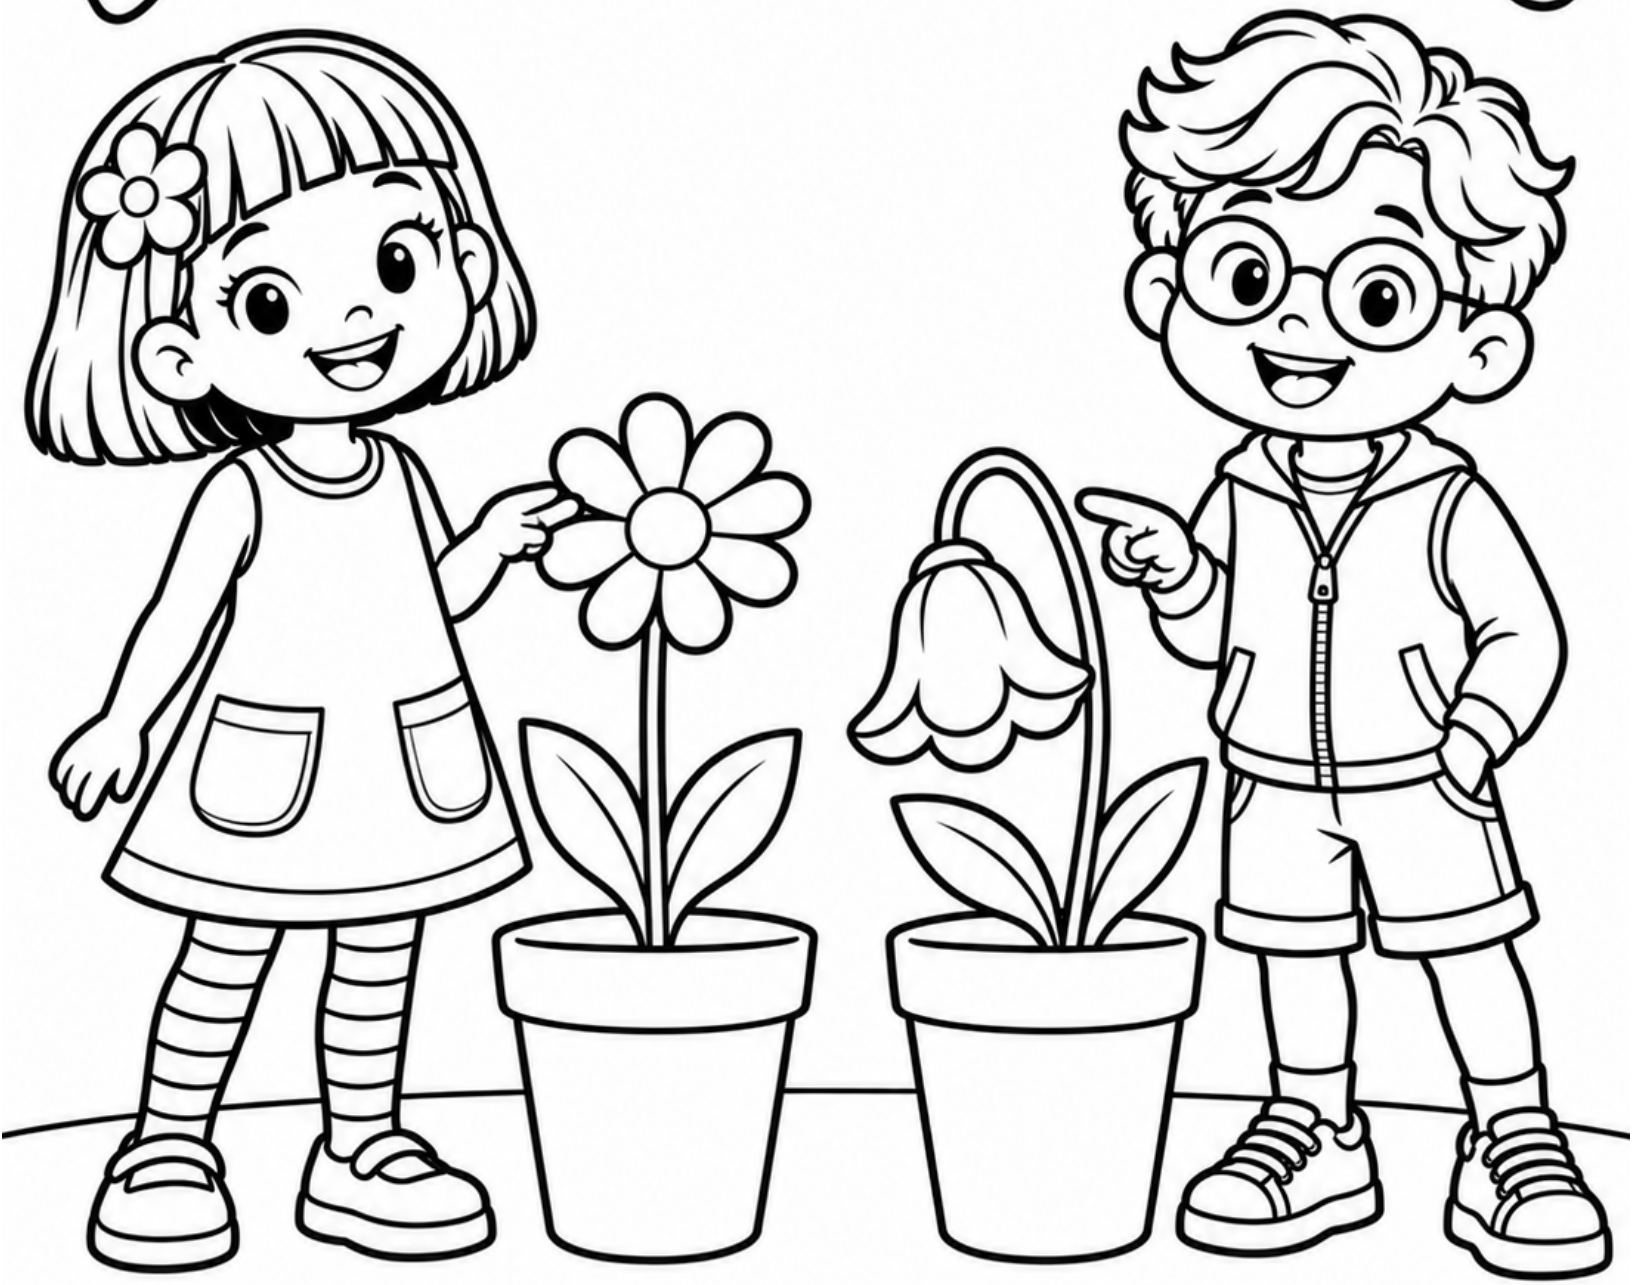

Zinnias have petals arranged in pretty layers.
Owen finds a big bloom and a smaller bud.

Flowers Shaped Like Stars

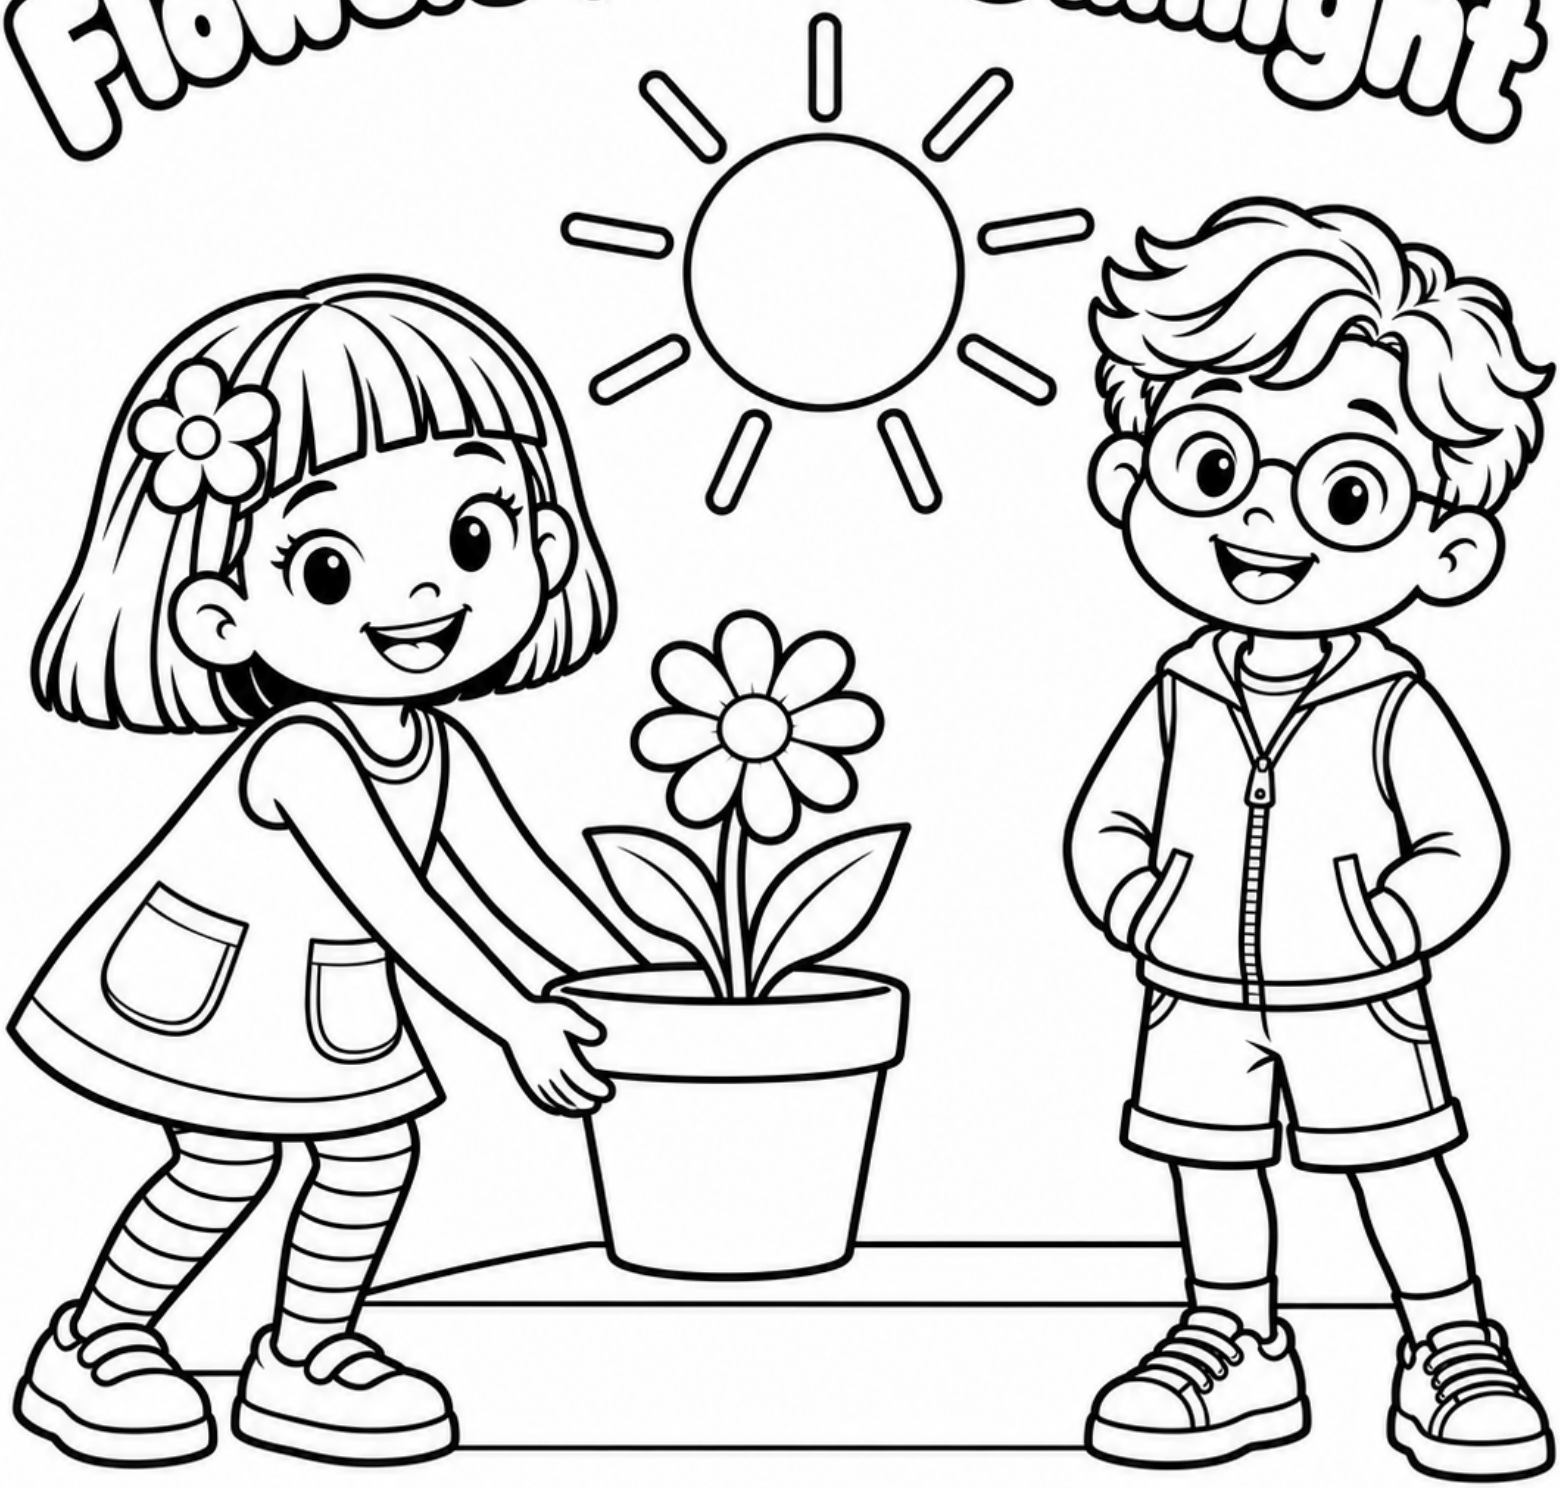

Some flowers have petals shaped like stars.
Iris spots the pointed shapes in this flower.

Different Flower Shapes

Flower petals come in many shapes and sizes.
Owen compares a round bloom and a bell bloom.

Flowers Need Sunlight

Sunlight helps many flowering plants grow.
Iris puts a flowerpot in a sunny spot.

Roots Under the Soil

Roots take in water and help hold a plant.

Owen looks at roots growing under the soil.

A Seed Starts to Grow

A tiny seed sprouts roots and its first leaves.
Iris watches a new seedling reach upward.

Planting a Flower

An adult helps Owen plant a young flower.
They settle the soil gently around its roots.

Water the Soil

Roots need water from the soil around them.
Iris pours a gentle drink near the flower stem.

A Little Mulch Helps

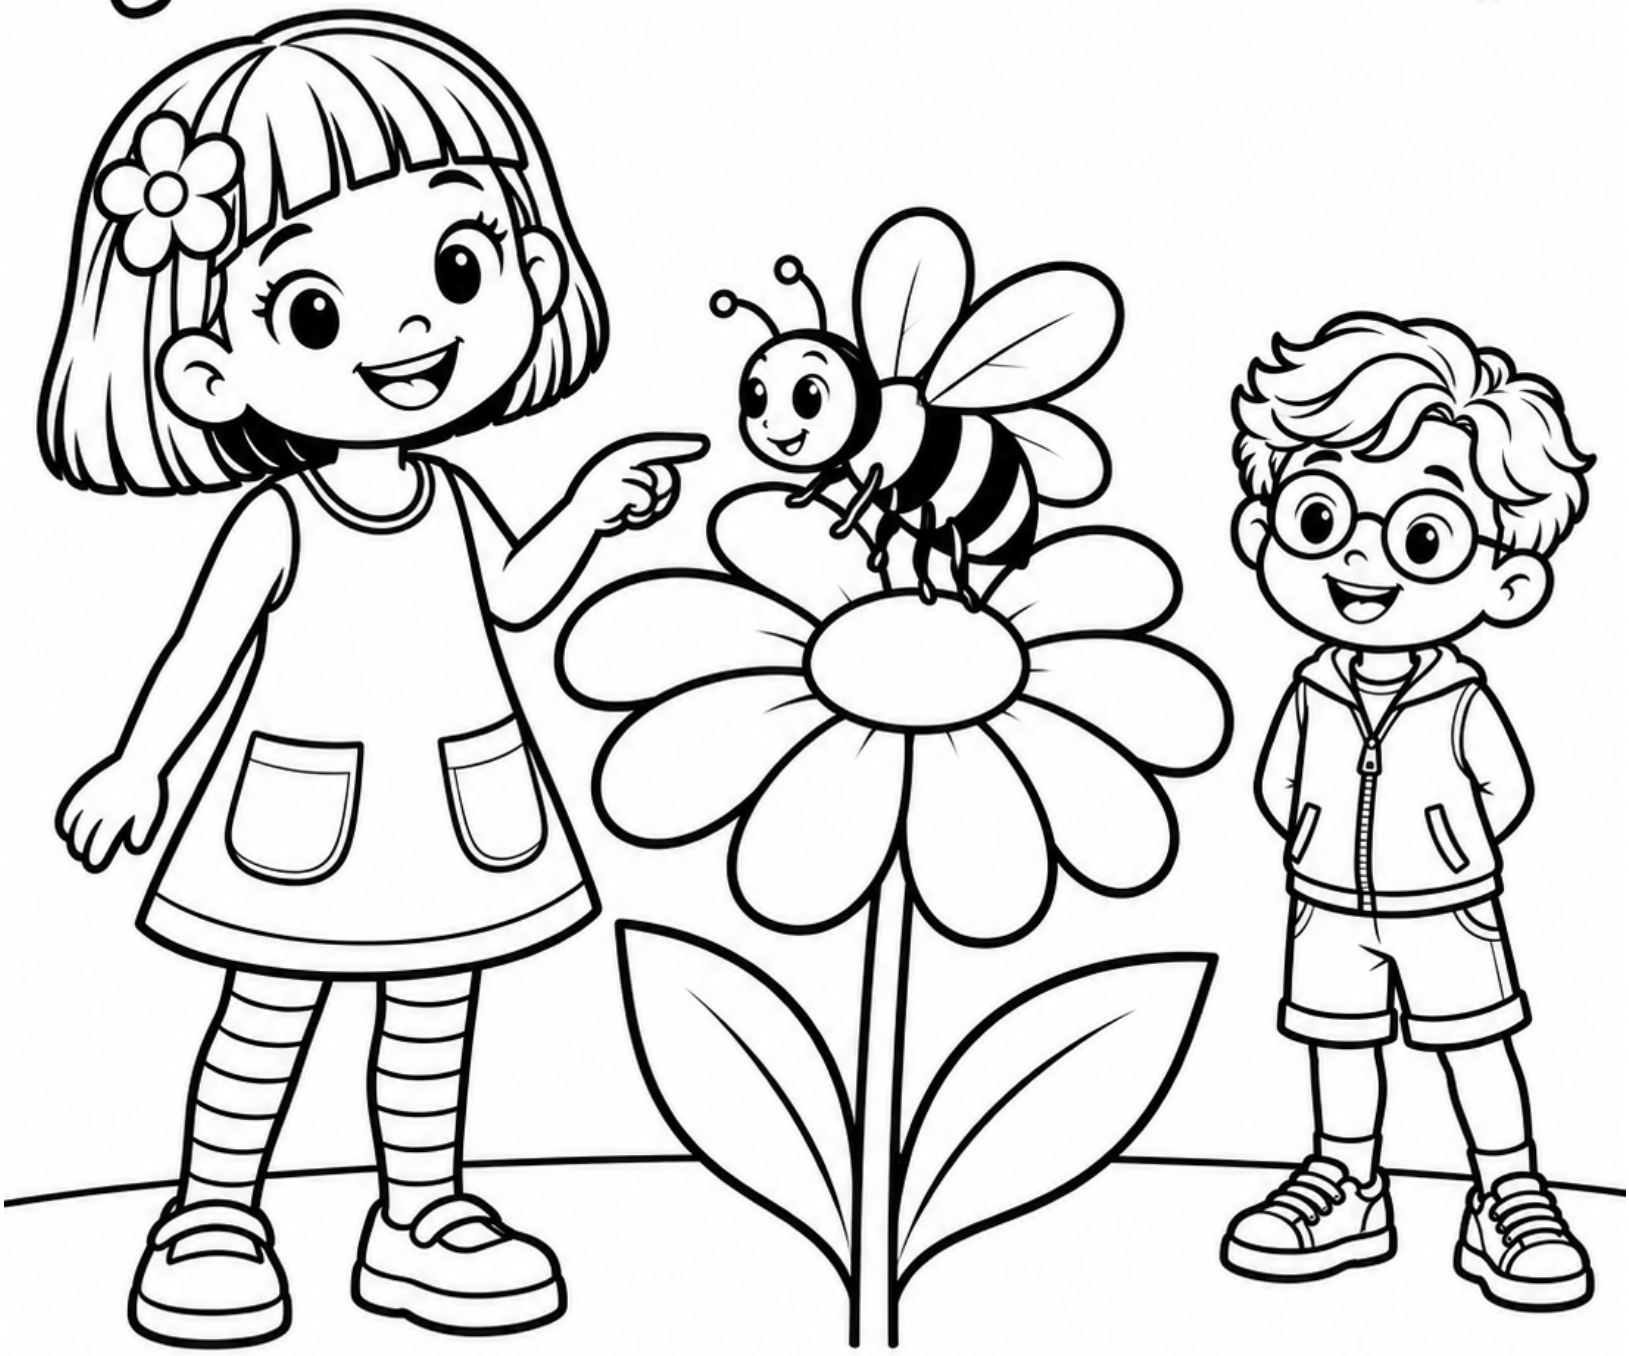

Mulch helps the soil hold moisture.
Owen leaves clear space around the flower stem.

A Bud Opens Slowly

A flower bud opens as the petals grow.
Iris spots a bud beside an open bloom.

A Bee Visits a Flower

A bee visits flowers to collect nectar and pollen.
Owen watches quietly and gives it space.

A Butterfly Stops By

A butterfly sips nectar from a flower.
Iris watches its wings without touching them.

A Hummingbird Visit

A hummingbird uses its long beak to sip nectar.
Owen watches the tiny bird near a flower.

Flowers in a Pot

A flowerpot brings blooms to a small space.
Iris and Owen choose a sunny patio corner.

Flowers Along the Path

Flowers add color beside a garden path.
Owen walks carefully to protect the plants.

After a Gentle Rain

Rain brings water to the flower garden.
Iris spots big droplets resting on the petals.

Look and Leave Them Growing

Garden flowers are lovely to look at.
Iris and Owen leave the blooms for others to enjoy.

Our Flower Garden

Iris and Owen helped their flower garden grow.
They celebrate the blooms and visiting wildlife.
