Harper & Kai's Garden Helper Adventure
Little Garden Helpers Coloring Book

ECOSCAPE
OUTDOOR SERVICES, LLC

Welcome to Ecoscape Kids!

At Ecoscape Outdoor Services, we care about the families who enjoy the outdoor spaces we maintain. We created Ecoscape Kids to help children learn about plants, lawn care, and caring for nature through coloring.

Each page introduces a simple outdoor lesson. Children will learn alongside friendly characters while practicing creativity, observation, and reading with a parent or caregiver.

We hope this book inspires your family to spend time outside, ask questions, and enjoy learning together.

Meet Harper and Kai

Harper and Kai are little garden helpers.
They learn new skills with an adult nearby.

Ready for the Garden

Closed shoes cover little feet.
Harper and Kai wear boots for garden work.

Gloves for Helping Hands

Garden gloves help protect little hands.
An adult checks the fit before work begins.

Tools for Little Helpers

Small tools are easier for children to hold.
An adult chooses tools for each garden job.

A Place for Each Plant

Plants need the right amount of sunlight.
An adult helps choose a spot for each one.

Filling a Flowerpot

Potting mix gives container roots room to grow. Harper gently fills a pot with a small scoop.

Planting with Care

Roots need gentle handling during planting. Kai helps an adult settle a plant into its pot.

A Label Helps Us Remember

Plant labels help us remember plant names.
Harper makes a marker for the new flower.

A Gentle Sprinkle

A soft sprinkle protects tender plants.
Kai pours water slowly onto the soil.

Water Where Roots Grow

Roots take in water from the soil.
Harper aims the water near the plant's base.

Checking Before Watering

Plants need water, but too much harms roots.
An adult helps check the soil before watering.

Room to Grow

Plants need space for roots and leaves.
Kai helps an adult leave room between plants.

Walking Around Flowers

Garden paths keep feet away from plants.
Harper and Kai follow the stepping stones.

Looking at Leaves

Leaves tell us a lot about a plant.
The helpers notice their shapes and colors.

A Fragrant Herb

Many herbs have a fresh, strong scent.
An adult shows the helpers a basil plant.

Raking Fallen Leaves

A small rake gathers fallen leaves.
Kai helps keep the garden path clear.

Leaves for the Compost

Fallen leaves help make compost.
Tiny living things slowly break them down.

Saving Plant Scraps

Fruit and vegetable scraps belong in compost.
An adult helps sort suitable scraps.

Mulch Around the Plants

Mulch slows water loss from the soil.
The helpers leave space beside plant stems.

Sweeping the Patio

A small broom gathers loose garden bits.
Harper sweeps a clear path on the patio.

Putting Pots Away

Empty pots stay tidy when stacked with care.
Kai sorts small pots beside the work table.

A Tidy Garden Hose

A loose hose belongs off the walking path.
The helpers coil it with an adult's help.

Clean Hands After Helping

Soap and water wash garden dirt away.
Harper and Kai wash their hands after work.

A Garden Grows with Care

Small helping jobs make a big difference.
Harper and Kai are proud of their garden.
